FREE AND CLEAR OF LIENS, CLAIMS, AND ENCUMBRANCES, (II) ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES, AND (III) ASSUMPTION OF CERTAIN LIABILITIES

#### ("MOBILEARIA SALE ORDER")

Upon the motion, dated June 6, 2006 (the "Motion"), of Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for orders pursuant to 11 U.S.C. §§ 363 and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014 (a) approving (i) bidding procedures, (ii) the granting of certain bid protections, (iii) the form and manner of sale notices, and (iv) the setting of a sale hearing (the "Sale Hearing") and (b) authorizing and approving (i) the sale (the "Sale") of certain of the Debtors' assets (the "Acquired Assets") comprising substantially all of the assets of MobileAria, Inc. ("MobileAria") free and clear of liens, claims and encumbrances to Wireless Matrix USA, Inc. (the "Purchaser") pursuant to the Asset Sale and Purchase Agreement dated June 6, 2006 by and between MobileAria and the Purchaser (as amended on the record at the auction held on July 6, 2006 to, inter alia, increase the cash consideration to be provided by

the Purchaser to \$11.2 million, the "Agreement"), or to the party submitting the highest or otherwise best bid (the "Successful Bidder") at the auction held on July 6, 2006 (the "Auction"), (ii) the assumption and assignment of certain executory contracts and unexpired leases (including the Post-Petition Contracts) (the "Assigned Contracts") to the Purchaser or the Successful Bidder, and (iii) the assumption of certain liabilities (the "Assumed Liabilities") by the Purchaser or the Successful Bidder; and the Court having entered an order on June 22, 2006 (the "Bidding Procedures Order") approving (a) bidding procedures, (b) the granting of certain bid protections, (c) the form and manner of sale notices, and (d) the setting of the Sale Hearing; and the Auction having been held on July 6, 2006; and the Sale Hearing having been held on July 19, 2006, at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered (x) the Motion, (y) the objections thereto, all of which have been resolved, (z) the arguments of counsel made, and the evidence proffered or adduced, at the Sale Hearing; and it appearing that the relief requested in the Motion is in the best interests of MobileAria, its estate, its creditors, and all other parties in interest; and the Court having considered the arguments of counsel at the Sale Hearing; and upon the record of the Sale Hearing; and after due deliberation thereon, and sufficient cause appearing therefor,

#### IT IS HEREBY FOUND AND DETERMINED THAT:<sup>2</sup>

A. The Court has jurisdiction over the Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core

Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Agreement. A true and correct copy of the Agreement is attached hereto as Schedule 1.

Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

- B. The statutory predicates for the relief sought in the Motion are sections 363 and 365 of 11 U.S.C. §§ 101-1330, as in effect on October 14, 2005 (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014.
- C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, the assumption and assignment of the Assigned Contracts, and the Cure Amounts has been provided in accordance with 11 U.S.C. §§ 102(1), 363, and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014, (ii) such notice was good and sufficient, and appropriate under the particular circumstances, and (iii) no other or further notice of the Motion, the Sale Hearing, the Sale or the assumption and assignment of the Assigned Contracts is or shall be required.
- D. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, MobileAria has marketed the Acquired Assets and conducted the sale process in compliance with the Bidding Procedures Order, and the Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner.
- E. MobileAria (i) has full corporate power and authority to execute the Agreement and all other documents contemplated thereby, and the transfer and conveyance of the Acquired Assets by MobileAria has been duly and validly authorized by all necessary corporate action of MobileAria, (ii) has all of the corporate power and authority necessary to consummate the transactions contemplated by the Agreement, and (iii) has taken all corporate

action necessary to authorize and approve the Agreement and the consummation by MobileAria of the transactions contemplated thereby, and no consents or approvals, other than those expressly provided for in the Agreement, are required for MobileAria to consummate such transactions.

- F. MobileAria has demonstrated both (i) good, sufficient, and sound business purpose and justification for the Sale, because, among other things, MobileAria and its advisors diligently and in good faith analyzed all other available options in connection with the disposition of the Acquired Assets and determined that the terms and conditions set forth in the Agreement, and the transfer to Purchaser of the Acquired Assets pursuant thereto, represent a fair and reasonable purchase price and constitute the highest or otherwise best value obtainable for the Acquired Assets and (ii) compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) prior to, and outside of, a plan of reorganization in that, among other things, absent the Sale the value of the Acquired Assets will be substantially diminished.
- G. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Purchaser, (iii) counsel for @Road, Inc., (iv) counsel for the Official Committee of Unsecured Creditors appointed in the above-captioned chapter 11 cases (the "Creditors' Committee"), (v) counsel for the Official Committee of Equity Security Holders appointed in the above-captioned chapter 11 cases, (vi) all entities known to have expressed an interest in a transaction with respect to the Acquired Assets during the past six months, (vii) all entities known to have asserted any Interests or Claims (as defined below) in or upon the Acquired Assets, (viii) all federal, state, and local regulatory or taxing authorities or recording

offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (ix) all parties to Assigned Contracts, (x) the United States Attorney's office, (xi) the United States Department of Justice, (xii) the Securities and Exchange Commission, (xiii) the Internal Revenue Service, (xiv) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(M), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")) and such other entities that are required to be served with notices under the Supplemental Case Management Order.

- H. The Purchaser is not an "insider" of any of the Debtors, as that term is defined in 11 U.S.C. § 101(31).
- I. The Agreement was negotiated, proposed, and entered into by MobileAria and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions.

  Neither MobileAria nor the Purchaser has engaged in any conduct that would cause or permit the Sale to be avoidable under 11 U.S.C. § 363(n).
- J. The Purchaser is a good faith purchaser under 11 U.S.C. § 363(m) and, as such, is entitled to all of the protections afforded thereby. The Purchaser is acting in good faith within the meaning of 11 U.S.C. § 363(m) in undertaking the transactions contemplated by the Agreement.
- K. The consideration provided by the Purchaser for the transfer of the Acquired Assets and the assignment of the Assigned Contracts pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Acquired Assets, (iii) will provide a greater recovery for MobileAria's creditors than would be provided by any other

practical available alternative, the Debtors having reserved, however, all of the rights against @Road, Inc., and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia. Such transfers and assignments constitute transfers and assignments for reasonably equivalent value and fair consideration.

- L. The Sale must be approved and consummated promptly to preserve the viability of MobileAria as a going concern. A prompt Sale of the Acquired Assets is the best way to maximize value for the MobileAria's estate and creditors.
- M. With the exception of the Assumed Liabilities, the transfer of the Acquired Assets and the assignment of the Assigned Contracts to the Purchaser pursuant to the Agreement will be a legal, valid, and effective transfer of the Acquired Assets and assignment of the Assigned Contracts, and will vest the Purchaser with all right, title, and interest to the Acquired Assets and all rights related to the Assigned Contracts free and clear of any and all liens, claims, interests, and encumbrances of any type whatsoever (whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to October 14, 2005, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of successor liability), including, but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of MobileAria's or the Purchaser's interest in the Acquired Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the

operation of MobileAria's business prior to the transfer of the Acquired Assets to the Purchaser (collectively, the "Interests and/or Claims").

- N. If the Sale of the Acquired Assets were not free and clear of all Interests and/or Claims as set forth in the Agreement and this Sale Order, or if the Purchaser would, or in the future could, be liable for any of the Interests and/or Claims as set forth in the Agreement and this Sale Order, including, without limitation, the Retained Liabilities, the Purchaser would not have entered into the Agreement and would not consummate the Sale or the transactions contemplated by the Agreement, thus adversely affecting MobileAria, its estate, and its creditors.
- O. MobileAria may sell its interests in the Acquired Assets free and clear of all Interests and/or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. Those (i) holders of Interests and/or Claims and (ii) non-debtor parties to the Assigned Contracts who did not object, or who withdrew, settled, or otherwise resolved their objections, to the Sale, the Motion, or the assumption and assignments of Assigned Contracts contemplated by the Agreement and the Motion, are deemed to have consented to the Sale, to such assumption and assignments, and to the other transactions contemplated in the Agreement, pursuant to 11 U.S.C. §§ 363(f)(2) and 365(c). Those (i) holders of Interests and/or Claims and (ii) non-debtor parties to Assigned Contracts who did object fall within one or more of the other subsections of 11 U.S.C. § 363(f) and are adequately protected by having their Interests and/or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest or Claim.
- P. The (i) transfer of the Acquired Assets to the Purchaser and (ii) assumption and assignment to the Purchaser of the Assigned Contracts and Assumed Liabilities will not subject the Purchaser to any liability whatsoever with respect to the operation of the

Business prior to the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia based, in whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable law, including, without limitation, any theory of antitrust or successor or transferee liability.

- Q. MobileAria has demonstrated that it is an exercise of its sound business judgment to assume and assign the Assigned Contracts to the Purchaser in connection with the consummation of the Sale, and the assumption and assignment of the Assigned Contracts is in the best interests of MobileAria, its estate, and its creditors. The Assigned Contracts being assigned to, and the liabilities being assumed by, the Purchaser are an integral part of the Business and the Acquired Assets being purchased by the Purchaser and, accordingly, such assumption and assignment of Assigned Contracts and liabilities are reasonable, enhance the value of MobileAria's estate, and do not constitute unfair discrimination.
- R. MobileAria has (i) cured, or has provided adequate assurance of cure, of any monetary or non-monetary default existing prior to the Closing Date under any of the Assigned Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A), by payment of the amounts provided on Schedule 2 hereto, and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assigned Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B) (the "Cure"). Further, the Purchaser has provided adequate assurance of its future performance of and under the Assigned Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). The Court hereby finds that the Assigned Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in

full force and effect for the benefit of Purchaser notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer, pursuant to 11 U.S.C. § 365(f).

S. Approval of the Agreement and consummation of the Sale of the Acquired Assets and assignment of the Assigned Contracts at this time are in the best interests of MobileAria, its creditors, its estate, and other parties in interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

### **General Provisions**

- 1. The Motion is GRANTED.
- 2. All objections to the Motion or the relief requested therein, including, without limitation, objections to the Sale, any Cures or Cure Amounts, or the assumption and assignment of the Assigned Contracts, that have not been withdrawn, waived, settled, or otherwise resolved, and all reservations of rights included therein, are hereby overruled on the merits.

### Approval Of The Agreement

- 3. Pursuant to 11 U.S.C. § 363(b), the Agreement and all of the terms and conditions thereof are hereby approved.
- 4. Pursuant to 11 U.S.C. § 363(b), MobileAria is authorized and directed to perform its obligations under the Agreement and comply with the terms thereof and consummate the Sale in accordance with and subject to the terms and conditions of the Agreement.
- 5. Each of the signatories to the Agreement is directed to take all actions necessary or appropriate to effectuate the terms of this Sale Order.

- 6. The Debtors are authorized and directed to execute and deliver, and empowered to perform under, consummate, and implement, the Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Agreement, and to take all further actions as may be requested by the Purchaser for the purpose of assigning, transferring, granting, conveying, and conferring to the Purchaser or reducing to possession, the Acquired Assets and the Assigned Contracts, or as may be necessary or appropriate to the performance of the obligations as contemplated by the Agreement.
- 7. This Sale Order and the Agreement shall be binding in all respects upon all creditors (whether known or unknown) of MobileAria, the Purchaser, all successors and assigns of the Purchaser and MobileAria, all affiliates and subsidiaries of the Purchaser and MobileAria, and any subsequent trustees appointed in the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code and shall not be subject to rejection. To the extent any provision of this Sale Order is inconsistent with the terms of the Agreement, this Sale Order shall govern.
- 8. The Agreement and any related agreements, documents, or other instruments, including, without limitation, the Ancillary Agreements, may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court; <u>provided</u> that any such modification, amendment, or supplement is not material.

## Sale And Transfer Of The Acquired Assets

9. Except as expressly permitted or otherwise specifically provided for in the Agreement or this Sale Order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the consummation of the Agreement, the Acquired Assets shall be transferred to the Purchaser free

and clear of all Interests and/or Claims of any kind or nature whatsoever, with all such Interests and/or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect which they now have as against the Acquired Assets, subject to any claims and defenses MobileAria may possess with respect thereto.

- Contracts to the Purchaser pursuant to the Agreement constitutes a legal, valid, and effective transfer of the Acquired Assets and assignment of the Assigned Contracts, and shall vest the Purchaser with all right, title, and interest in and to the Acquired Assets and the assignment of the Assigned Contracts free and clear of all Interests and/or Claims of any kind or nature whatsoever, including without limitation, any Interests or Claims held by any of the Debtors, their affiliates, their affiliates' creditors, vendors, suppliers, customers, employees or lessors and any other person (collectively, "Claimants"). Purchaser shall not be liable in any way (as assignee, successor entity, or otherwise) for any Interests or Claims that any Claimant or other third party may have against MobileAria or its affiliates, or the Business, or under any Assigned Contract.
- 11. If any person or entity which has filed financing statements, mortgages, mechanic's liens, <u>lis pendens</u>, or other documents or agreements evidencing Interests or Claims against or in the Acquired Assets shall not have delivered the foregoing to MobileAria prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfactions, releases of all Interests or Claims that the person or entity has with respect to the Acquired Assets, or otherwise, then (a) MobileAria is hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Acquired Assets and (b) the Purchaser is hereby

05-44481-rdd Doc 4727 Filed 07/28/06 Entered 07/28/06 20:23:44 Main Document Pg 41 of 196

authorized to file, register, or otherwise record a certified copy of this Sale Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests and/or Claims in the Acquired Assets of any kind or nature whatsoever.

- 12. This Sale Order (a) shall be effective as a determination that, upon the Closing Date, all Interests and/or Claims of any kind or nature whatsoever existing as to MobileAria, the Acquired Assets, or the Assigned Contracts prior to the Closing Date have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected and (b) shall be binding upon and shall govern the acts of all entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Acquired Assets.
- Agreement or this Sale Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade, and other creditors, holding Interests or Claims of any kind or nature whatsoever against or in MobileAria or the Acquired Assets or the Assigned Contracts (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, MobileAria, the Acquired Assets, the Assigned Contracts, the operation of the Business prior to the Closing

Date, or the transfer of the Acquired Assets and the Assigned Contracts to the Purchaser, hereby are forever barred from asserting against the Purchaser, its successor or assign, its property, the Acquired Assets or the Assigned Contracts, such persons' or entities' Interests or Claims.

14. Upon the consummation of the transactions contemplated by the Agreement, the Purchaser shall not be deemed to (a) be the successor of MobileAria, (b) have, de facto, or otherwise, merged with or into MobileAria, (c) be a mere continuation or substantial continuation of MobileAria or the enterprise(s) of MobileAria, or (d) be liable for any acts or omissions of MobileAria in the conduct of the Business.

## Assumption And Assignment To The Purchaser Of The Assigned Contracts

- 15. ### **Verizon Contract**

- 42. Notwithstanding any other provision of this Sale Order, the following shall apply with respect to the assumption of the Verizon Contract and the assignment of the Verizon Contract to the Purchaser:
  - (a) Verizon has asserted that MobileAria is responsible for the payment of certain charges and other liabilities, as more particularly identified in <u>Schedule 3</u> hereto, including, without limitation, all charges that have arisen prior to the date of this Order associated with alleged errors that may have resulted in inaccurate billings

05-44481-rdd Doc 4727 Filed 07/28/06 Entered 07/28/06 20:23:44 Main Document Pg 50 of 196

to Verizon (the "Schedule 3 Disputes"), in the amount of up to \$700,000. Any amounts paid by MobileAria with respect to the Schedule 3 Disputes shall be credited to the \$700,000. Verizon and MobileAria shall each work in good faith during the next 60 days to attempt to resolve these matters. In the event that Verizon seeks to recover for charges arising with respect to a Schedule 3 Dispute, Verizon shall submit such charges to MobileAria within 60 days of the date of this Order ("Asserted Schedule 3 Disputes") or be deemed to have waived such Schedule 3 Dispute. If either MobileAria or Verizon reasonably determines that the disputes described on Schedule 3 or with respect to the Asserted Schedule 3 Disputes cannot be resolved consensually, MobileAria or Verizon may seek this Court's determination of same. The Purchaser shall not be liable to Verizon for all or any portion of the alleged amounts due that are described in this subparagraph. Any and all amounts due and owing from MobileAria to Verizon pursuant to this subparagraph (a) shall constitute administrative expenses of MobileAria's estate under 11 U.S.C. §§ 503(b) and 507(a)(1) without further order of the Court with priority over claims of MobileAria's affiliates.

(b) Other than warranty and indemnity obligations as referred to in subparagraph (c) below, with respect to any defaults under the Verizon Contract that are not known as of the date of this Sale Order, after reasonable investigation, and are not matters of the types that constitute Schedule 3 Disputes (collectively, the "Previously Unasserted Pre-Closing Defaults"), MobileAria shall be responsible for such Previously Unasserted Pre-Closing Defaults under the Verizon Contract up to the sum of \$1,000,000. Verizon shall have one year from the Closing to

assert any Previously Unasserted Pre-Closing Defaults (such then-asserted claims, the "Category 2 Claims"). If MobileAria or Verizon reasonably determines that the Category 2 Claims cannot be resolved consensually, MobileAria or Verizon may seek this Court's determination of same. Any and all amounts due and owing from MobileAria to Verizon pursuant to this subparagraph (b) shall constitute administrative expenses of MobileAria's estate under 11 U.S.C. §§ 503(b) and 507(a)(1) without further order of the Court with priority over claims of MobileAria's affiliates.

- (c) The Purchaser agrees to perform the warranty and indemnity obligations set forth in the Verizon Contract.
- (d) With respect to any future obligations that arise subsequent to the Closing, the Purchaser shall perform such future obligations as and when they become due.
- (e) Verizon hereby withdraws its Objection Of Verizon Services Corp. To

  Assumption And Assignment Of Executory Contracts In Connection With Motion

  Of Debtors For An Order Authorizing And Approving (i) Sale Of Certain Of The

  Debtors' Assets Comprising Substantially All Assets Of MobileAria, Inc. Free

  And Clear Of Liens, Claims And Encumbrances, (ii) Assumption And

  Assumption Of Certain Liabilities (the "Objection") with prejudice and agrees

  that, should Verizon seek to terminate the Verizon Contract for convenience

  pursuant to the terms thereof, each of the Purchaser and MobileAria shall be

  relieved from all of their obligations under this paragraph 43.

(f)

Certain of the Schedule 3 Disputes involve assertions by Verizon that, as of the date hereof, MobileAria has not completed certain repairs and other work due under the Verizon Contract ("WIP"). If MobileAria is unable to or fails to complete any or all of the WIP, then Purchaser shall be obligated to promptly complete such WIP in a commercially-reasonable manner. Purchaser shall seek payment of its reasonable actual out-of-pocket costs and expenses attributable to Purchaser's performance of WIP, including, but not limited to Purchaser's direct labor costs ("WIP Costs"). Mobile Aria shall deliver to the Escrow Agent the sum of \$100,000 to pay the estimated WIP Costs ("WIP Escrow"). Purchaser may periodically deliver to the Escrow Agent and Mobile Aria invoices related to WIP Costs. The Escrow Agent shall pay all invoiced WIP Costs ten (10) days after its receipt of the invoices from the WIP Escrow, provided, however, Mobile Aria does not object, in good faith, in detail and in writing to some or a portion of the invoiced WIP Costs. The Escrow Agent shall promptly pay all undisputed WIP Costs. In the event of a dispute, the parties shall try to work out their differences consensually. If either the Purchaser or MobileAria reasonably determines that a WIP Cost dispute cannot be resolved consensually, the Purchaser or MobileAria may seek this Court's determination of same. Any and all invoiced amounts due and owing from MobileAria to Purchaser pursuant to this paragraph 43(f) shall constitute administrative expenses of MobileAria's estate under 11 U.S.C. §§ 503(b) and 507(a)(1) without further order of the Court with priority over claims of MobileAria's affiliates.

The Escrow Amount will be held by the Escrow Agent from the Closing Date until the one (1) year anniversary of the Closing Date (the "Escrow Period"); provided, however, that in the event Purchaser has made a claim under Article 12 prior to the end of the Escrow Period, then the Escrow Period shall continue (and the Escrow Agent will continue to hold in escrow that portion of the Escrow Amount which is equal to the amount which is necessary to satisfy such indemnity claim) until such claim is fully and finally resolved. The costs and expenses of the Escrow Agent will be paid from and borne solely by the Escrow Amount. Notwithstanding the foregoing, the Parties acknowledge that \$100,000 of the Escrow Amount is provided to satisfy certain requirements of paragraph 43(f) of the Sale Approval Order, and the Parties agree to execute an additional Escrow Agreement prior to the Closing consistent with such paragraph (the "Additional Escrow Agreement"). Notwithstanding anything to the contrary contained in this Agreement, as soon as reasonably practicable after all claims arising under paragraph 43(f) of the Sale Approval Order are resolved by the parties hereto or by order of the Bankruptcy Court, any remaining amounts held by the Escrow Agent under the Additional Escrow Agreement shall be disbursed to Seller.

During such one (1) year period, Purchaser shall not intentionally destroy or give up possession of its final copy of such documentation without offering Seller the opportunity, at Seller's expense but without any payment to Purchaser, to obtain a copy of such documentation.

# 8.5.3 <u>Books and Records and Litigation Assistance From and After</u> Closing:

Purchaser and its Affiliates shall use reasonable efforts to preserve and keep all books, records, computer files, software programs and any data processing files delivered to Purchaser by Seller and its Affiliates pursuant to the provisions of this Agreement for a period of not less than one (1) year from the Closing Date, or for any longer period as may be required of the Business by any government agency, law, regulation, audit or appeal of Taxes, or Tax examination at Purchaser's sole cost and expense. If and when Seller believes that such records are no longer legally required, it will notify Purchaser. During such period, Purchaser shall: (i) provide Seller or its Affiliates with such documents and information as necessary, consistent with past practice, to complete the accounting books and records of the Business as of December 31, 2006; and (ii) make such books and records available to Seller and its Affiliates as may be reasonably required by Seller and its Affiliates in connection with any legal proceedings against or governmental investigations of Seller and its Affiliates or in connection with any Tax examination, audit or appeal of Taxes of Seller and its Affiliates, the Business or the Acquired Assets during such period. Seller or its Affiliates shall reimburse Purchaser for the reasonable out-of-pocket expenses incurred in connection with any request by Seller to make available records pursuant to the foregoing sentence. In the event Purchaser wishes to destroy or dispose of such books and records after one (1) year from the

Closing Date, it shall first give not less than thirty (30) days' prior written notice to Seller or its Affiliates, and Seller or its Affiliates shall have the right, at its option, upon prior written notice given to Purchaser within twenty (20) days of receipt of Purchaser's notice, to take possession of said records within thirty (30) days after the date of Purchaser's notice to Seller hereunder.

- **B.** Purchaser, for itself and on behalf of its Affiliates, agrees to: (i) retain all documents required to be maintained by federal, state, national or local legislation or regulations; (ii) make available documents and records delivered to it by Seller reasonably necessary in connection with any pursuit, contest or defense related to the Business, including documents that may be considered to be "confidential" or subject to trade secret protection (except that: (a) no documents or records protected by the attorney client privilege in favor of Purchaser must be made available if making these documents or records available would cause the loss of this privilege (in any case, however, Purchaser must notify Seller of the existence of such privileged documents); and (b) Seller and its Affiliates will agree to keep confidential and not use for any other purpose documents and records that are confidential or are subject to trade secret protection); (iii) make available, as may be reasonably necessary and upon reasonable advance notice and for reasonable periods so as not to significantly interfere with Purchaser's business, mutually acceptable engineers, technicians or other knowledgeable individuals to assist Seller and its Affiliates in connection with such claim.
- 8.5.4 Payment and Collections. Seller shall take such action as may be reasonably necessary to segregate payments made or collections received on behalf of Purchaser after Closing, and Purchaser shall take such action as may be reasonably necessary to segregate payments made or collections received on behalf of Seller after Closing, in order to ensure that the cost of the related liability or the benefits of the related assets accrue to the appropriate Party in accordance with the terms of this Agreement. To the extent that any such collections are received after Closing in the form of checks or other negotiable instruments payable to the other Party, Seller or Purchaser, as appropriate, shall promptly take all necessary action to endorse such checks or instruments to permit the appropriate Party to collect the proceeds of such checks and instruments. Seller shall promptly send Purchaser copies of all remittance advices and checks related to payments received by Seller with respect to such items. Purchaser shall notify the Business' customers of the change in address of the owner of the Acquired Assets as may be required in order for such customers to properly remit any payments required under any applicable Acquired Asset and Seller shall cooperate with Purchaser as is reasonably necessary to so notify such customers, including providing appropriate contact information for each such customer.
- **8.5.5** Intellectual Property Transition Rights. Seller will have the right to continue to use the MobileAria corporate name and office materials of the Business in existence at the Closing and bearing any trademark, service mark, trade name or related corporate name of MobileAria, but only in connection with the Bankruptcy Cases and the dissolution and wind down of Seller.
- **8.6** Further Assurances. If at any time after the Closing any further action is necessary or desirable to carry out the purposes of this Agreement, each of the Parties will take such further action (including the execution and delivery of such further instructions and documents) as any other Party reasonably may request, all at the sole cost and expense of the requesting Party (unless the requesting Party is entitled to indemnification therefor under this Agreement).

## 8.7 [Reserved]

- 8.8 Certain Transactions. Purchaser shall not acquire or agree to acquire by merging or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquire or agree to acquire any assets if the entering into of a definitive agreement relating to or the consummation of such acquisition, merger or consolidation would reasonably be expected to: (i) impose any material delay in the obtaining of, or significantly increase the risk of not obtaining, any authorizations, consents, orders, declarations or approvals of any Governmental Entity necessary to consummate the transactions contemplated by this Agreement or the Ancillary Agreements or the expiration or termination of any applicable waiting period; (ii) significantly increase the risk of any Governmental Entity entering an order prohibiting the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements; (iii) significantly increase the risk of not being able to remove any such order on appeal or otherwise; or (iv) materially delay or prevent the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements.
- Communications with Customers and Suppliers. 8.9 Prior to the Closing, Purchaser shall not, and shall cause its Subsidiaries and representatives not to, contact, engage in any discussions or otherwise communicate with any of the Business' customers. suppliers and others with whom it has material commercial dealings without obtaining the prior written consent of Seller (which may be conditioned on Seller having the right to participate in any meetings or discussion with any such customers, suppliers or others); provided, that Purchaser and Seller shall work together in good faith to arrange for an orderly transition of customer, supplier, and other third party relationships, including, without limitation, at the request of Purchaser, meetings and other correspondence with such customers, suppliers, and other third parties to ensure such orderly transition. Purchaser may contact Verizon Services Corp. to: (i) ensure orderly transition of the Verizon Contract to Purchaser; and (ii) reduce and assess the likelihood of termination of the Verizon Contract by Verizon Services Corp. or material reduction of the amount of business conducted pursuant to the Verizon Contract, provided that Purchaser provides at least twenty-four (24) hour prior notice to Seller and permits Seller to supervise such correspondence at Seller's election.

# 9. TERMINATION

**9.1** <u>Termination</u>. Anything contained herein to the contrary notwithstanding, this Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing Date:

## 9.1.1 By Either Party:

- **A.** By mutual written consent of Seller and Purchaser.
- **B.** Provided the terminating Party is not in default of its obligations under this Agreement, if consummation of the Sale would violate any non-appealable Final Order of any regulatory Governmental Entity, other than the Bankruptcy Court.
  - **C.** If Seller consummates an Alternative Transaction.
- **D.** Providing the terminating Party is not in default of its obligations under this Agreement, by either Seller or Purchaser if the Closing shall not have occurred on or prior to August 31, 2006.

- **E.** If the Bankruptcy Court has not entered the Sale Approval Order, on or before July 26, 2006 (the "**Termination Date**") or such Sale Approval Order is subject to a stay or injunction; provided, however, that the right to terminate this Agreement pursuant to this Section 9.1.1.E shall not be available to Purchaser if Purchaser shall have failed to perform, or caused any of its respective Affiliates to perform, any of its respective material obligations under this Agreement.
- **9.1.2 By Purchaser.** By Purchaser (provided that Purchaser is not then in material breach of any representation, warranty, covenant or other agreement contained herein) (i) at any time prior to Closing, if a Material Adverse Effect shall have occurred, Purchaser may terminate within ten (10) Business Days after receiving written notice of such event, so long as such event is continuing at the time of any such termination; or (ii) if Verizon Services Corp. has terminated, threatened to terminate, or Verizon otherwise evidences an intent to terminate the Verizon Contract or materially reduce the amount of business conducted pursuant to the Verizon Contract.
- **9.2** <u>Notice of Termination</u>. In the event of any termination pursuant to this Article 9, written notice thereof setting forth the reasons therefor shall promptly be given to the other Party and the transactions contemplated by this Agreement shall be terminated, without further action by any Party.

## 9.3 Break-Up Fee; Expense Reimbursement:

- **9.3.1** Break-Up Fee. Subject to Section 9.3.4, in the event that: (i) Seller sells, transfers, leases or otherwise disposes, directly or indirectly, including through an asset sale, stock sale, merger or other similar transaction, all or substantially all or a material portion of the Business or the Acquired Assets in a transaction or a series of transactions with one or more parties other than Purchaser (such event being an "Alternative Transaction"), Seller shall, within two (2) Business Days after the consummation of an Alternative Transaction(s), pay to Purchaser an amount equal to one hundred ninety-five thousand dollars (\$195,000.00) (the "Break-Up Fee"), unless the Agreement is then terminated under Sections 9.1.1.B; in which case no Break-Up Fee shall be payable. The claim of Purchaser for a Break-up Fee shall be paid to Purchaser from the sale proceeds of an Alternative Transaction and, until paid in full, shall constitute a superpriority administrative expense claim under Section 364(c)(1) of the Bankruptcy Code.
- 9.3.2 Expense Reimbursement. In the event this Agreement is terminated pursuant to Sections 9.1.1.D or 9.1.1.E, and provided that Purchaser is not then in breach of this Agreement for which Seller had previously notified Purchaser, and, in the case of Section 9.1.1.D, the failure or occurrence of the event giving rise to any such termination results solely from the status of Seller or any action or conduct of Seller and not from the status of Purchaser or any intentional action or conduct of Purchaser, then Seller shall be obligated to pay Purchaser an amount equal to Purchaser's reasonable, actual out-of-pocket fees and expenses (including, without limitation, reasonable attorneys' fees, expenses of its financial advisors, and expenses of other consultants) incurred in connection with the transactions contemplated by this Agreement (the "Expense Reimbursement") up to a maximum of \$120,000. Any Expense Reimbursement payable upon termination of this Agreement shall be immediately earned upon such termination and payable by Seller to Purchaser promptly upon the delivery of an invoice related to such Expense Reimbursement to Seller by Purchaser to be delivered to Seller within ten (10) Business days of termination of this Agreement. The claim of Purchaser for an

Expense Reimbursement shall constitute a superpriority administrative expense under Section 364(c)(1) of the Bankruptcy Code.

- **9.3.3** Payments to Purchaser pursuant to this Section 9.3 shall be by wire transfer of immediately available funds in U.S. Dollars, to such account or accounts as Purchaser shall designate in writing.
- **9.3.4** Purchaser acknowledges and agrees that, in the event that it terminates this Agreement or Seller terminates this Agreement and Purchaser becomes entitled to receive or receives any Expense Reimbursement, Purchaser shall not be entitled to receive nor shall it receive the Break-Up Fee or any portion thereof, and, conversely, that in the event that Purchaser becomes entitled to receive or receives any Break-Up Fee, it shall not be entitled to receive nor shall it receive the Expense Reimbursement or any portion thereof. In the event that Purchaser would be entitled to receive both the Break-Up Fee and Expense Reimbursement but for the operation of this Section 9.3.4, Purchaser shall be entitled to receive the greater of such amounts.
- Procedure and Effect of Termination. In the event of termination and 9.4 abandonment of the transactions contemplated hereby pursuant to Section 9.1, written notice thereof shall forthwith be given to the other Parties to this Agreement, and this Agreement shall terminate (subject to the provisions of this Article 9) and the transactions contemplated by this Agreement shall be abandoned, without further action by any of the parties hereto. If this Agreement is terminated as provided herein no Party shall have any liability or further obligation to any other Party resulting from such termination except for the provisions of: (i)(a) Purchasers' obligations under that certain confidentiality agreement between the Parties dated April 10, 2006; (b) Article 9 (Termination); and (c) Sections 4.1.1 (Deposit Amount), 13.2 (Notice), 13.3 (Assignment), 13.4 (Entire Agreement), 13.5 (Waiver), 13.8 (Expenses), 13.12 (Governing Law), 13.13 (Public Announcements), 13.15 (Venue and Retention of Jurisdiction) and 13.18 (Dispute Resolution), all of which shall remain in full force and effect; and (ii) no party waives any claim or right against a breaching party in respect of any of its representations, warranties, covenants or agreements set forth in this Agreement occurring prior to such termination; provided, however, that in the event Purchaser is entitled to receive the Break-Up Fee, the right of Purchaser to receive such amount shall constitute Purchaser's sole remedy for (and such amount shall constitute liquidated damages in respect of) any breach by Seller of any of its representations. warranties, covenants or agreements set forth in this Agreement, and provided, further, that in the event Seller is entitled to receive the Deposit Amount, the right of Seller to receive such amount shall constitute Seller's sole remedy for (and such amount shall constitute liquidated damages in respect of) any breach by Purchaser of any of its representations, warranties, covenants or agreements set forth in this Agreement. In connection with any termination of this Agreement, all filings, applications and other submissions made pursuant to the transactions contemplated by this Agreement shall, to the extent practicable, be withdrawn from the agency or Person to which made.

# 10. <u>OTHER TAX MATTERS</u>:

**10.1** Seller will be responsible for the preparation and filing of all Tax Returns for the Business for all periods for which Tax Returns are due prior to the Closing, including amended returns, applications for loss carryback refunds and applications for estimated tax refunds. Purchaser shall make available to Seller (and to Seller's accountants and attorneys) any and all books and records and other documents and information in its possession or control reasonably

requested by Seller to prepare these Tax Returns. Seller will make all payments required with respect to any such Tax Return.

- **10.2** Purchaser will be responsible for the preparation and filing of all Tax Returns for the Business for all periods for which Tax Returns are due after the Closing (other than for Taxes with respect to periods for which the consolidated, unitary and Tax Returns of Seller will include the operations of the Business). Purchaser shall be responsible for and shall pay when due all Taxes attributable, levied or imposed upon or incurred in connection with the Acquired Assets and the Business pertaining to: (a) any period ending after the Closing Date; and (b) the portion of any Taxes for which Purchaser is liable as determined in accordance with Section 10.3 below.
- 10.3 For purposes of this Article 10 and Section 2.3, whenever it is necessary to allocate the liability for Taxes for a Straddle Period, the determination of the Taxes of the Business for the portion of the Straddle Period ending at the end of the Closing Date (the "Pre-Closing Portion") and the portion of the Straddle Period beginning after the Closing Date (the "Post-Closing Portion") will be determined by assuming that the Straddle Period consisted of two taxable years or periods, one of which ended at the close of business on the Closing Date and the other of which began at the beginning of the day after the Closing Date, and items of income, gain, deduction, loss or credit related to the Acquired Assets and the Business for the Straddle Period will be allocated between such two (2) taxable years or periods on a "closing of the books basis" by assuming that the books associated with the Business were closed at the end of the Closing Date; provided, however, that all real property taxes, personal property taxes, ad valorem obligations and similar taxes imposed on a periodic basis, in each case levied with respect to the Acquired Assets (other than Taxes resulting from the transactions described herein as provided for in Section 10.1) for a Straddle Period shall be apportioned between Seller and Purchaser as of the Closing Date based on the number of days of such taxable period up to and including the Closing Date and the number of days of such taxable period following the Closing Date. Seller shall be liable for the proportionate amount of such taxes that is attributable to the period up to and including the Closing Date; Purchaser shall be liable for the proportionate amount of such taxes that is attributable to the period following the Closing Date.
- **10.4** Seller and Purchaser will cooperate in connection with: (i) the preparation of filing of any Tax Return, Tax election, Tax consent or certification or any claim for a Tax refund; (ii) any determination of liability for Taxes; and (iii) any audit, examination or other proceeding in respect of Taxes related to the Business or the Acquired Assets. Such cooperation includes a reasonable amount of direct access to accounting, engineering and contracting personnel, subject to availability, which shall not be unreasonably restricted, and advance notice to Purchaser's chief financial officer.
- **10.5** Seller shall not, and shall not cause the Business to make, revoke or amend any tax election, execute any waiver of restrictions or tax assessments or collections or extensions if there will be any impact on Purchaser as a result of doing so.

#### 11. <u>BIDDING PROCEDURES</u>:

11.1 <u>MobileAria Initial Bankruptcy Actions</u>. This Article 11 sets forth the bidding procedures (the "Bidding Procedures") to be employed with respect to the Agreement and the sale (the "Sale") of the Acquired Assets. The Sale is subject to competitive bidding as set forth herein and approval by the Bankruptcy Court in the Sale Approval Order. The following overbid provisions and related bid protections are designed to compensate the Purchaser for its efforts

and agreements to date and to facilitate a full and fair process (the "Bidding Process") designed to maximize the value of the Acquired Assets for the benefit of Seller and its Affiliates' creditors, shareholders and bankruptcy estate.

- Court Approval. Promptly after the execution of this Agreement, Seller shall file the Sale Motion with the Bankruptcy Court seeking: (i) entry of the Bidding Procedures Order approving the Bidding Procedures, the Break-Up Fee and the Expense Reimbursement; and (ii) subject to the competitive bidding process provided under the Bidding Procedures, entry of the Sale Approval Order approving this Agreement and the transaction specified herein. It is a material inducement to Purchaser to be able to acquire the Acquired Assets pursuant to the provisions of Sections 363 and 365 of the Bankruptcy Code, including in particular free and clear of Liens pursuant to Section 363(f) of the Bankruptcy Code. Therefore, notwithstanding anything in this Agreement to the contrary, any and all obligations of Purchaser under this Agreement are subject to the entry of the Sale Approval Order approving this Agreement and the transaction specified herein, and ordering, finding or concluding that, among other things: (a) notice of the Sale Motion and the transactions contemplated hereunder was proper and sufficient to all parties entitled to such notice; (b) the sale of the Acquired Assets to Purchaser is approved pursuant to Section 363(b) of the Bankruptcy Code; (c) the assumption and assignment of the Assumed Contracts to the Purchaser is approved pursuant to Section 365 of the Bankruptcy Code and that the Cure Amounts to be paid by the Seller on the Closing Date to the non-debtor parties to the Assumed Contracts satisfy all monetary obligations and defaults of the Seller to those non-debtor third parties required to be cured pursuant to Section 365(b)(1) of the Bankruptcy Code; (d) the sale of the Acquired Assets to the Purchaser pursuant to this Agreement will be free and clear of all known and unknown Liens pursuant to Section 363(f) of the Bankruptcy Code; (e) Purchaser is not a continuation of Seller or its estate, there is no continuity of enterprise between Seller and Purchaser, Purchaser is not a successor to Seller or its estate and the transactions contemplated by this Agreement do not amount to, or otherwise constitute a consolidation, merger or de facto merger of Purchaser and Seller or its estate: (f) Purchaser has acted in good faith within the context of and is entitled to the protections of Section 363(m) of the Bankruptcy Code; (g) the transactions contemplated hereunder are not avoidable pursuant to Section 363(n) of the Bankruptcy Code; (h) Purchaser is not assuming or acquiring any of Seller's liabilities except as specifically provided in this Agreement; and (i) the Sale Approval Order shall be effective immediately notwithstanding the provisions of Bankruptcy Rules 6004(g) and 6006(d). Seller shall be responsible for making all appropriate filings relating thereto with the Bankruptcy Court, which filings shall be submitted to the Purchaser as far prior to their filing with the Bankruptcy Court as reasonably practicable for the Purchaser's prior review and, solely with respect to the Bidding Procedures Order and the Sale Approval Order, approval, which shall not be unreasonably withheld or delayed. Should Seller not have received Purchaser's approval of the Bidding Procedures Order and the Sale Approval Order prior to Seller's deadline for filing with the Bankruptcy Court, Seller may file such documents with the Bankruptcy Court and may submit a revised Bidding Procedures Order and/or Sale Approval Order reflecting agreed modifications thereto, if any, to the Bankruptcy Court prior to the hearing thereon.
- **11.3 Qualified Bidder.** Unless otherwise ordered by the Bankruptcy Court, for cause shown, or as otherwise determined by the Seller, in order to participate in the bidding process, each person (a "Potential Bidder"), other than the Purchaser, must deliver (unless previously delivered) to Seller:
- **11.3.1** An executed confidentiality agreement in form and substance satisfactory to Seller.

- 11.3.2 Current audited financial statements of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring the Acquired Assets and the Business, current audited financial statements of the equity holders of the Potential Bidder who shall guarantee the obligations of the Potential Bidder, or such other form of financial disclosure and credit-quality support or enhancement acceptable to Seller and its financial advisors; and
- 11.3.3 A preliminary (non-binding) written proposal regarding: (i) the purchase price; (ii) any assets and/or equity interests expected to be excluded; (iii) the structure and financing of the transaction (including, but not limited to, the sources of financing for the Purchase Price and the requisite Financial Assurance); (iv) any anticipated regulatory approvals required to close the transaction, the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) any conditions to closing that it may wish to impose in addition to those set forth in this Agreement; and (vi) the nature and extent of additional due diligence it may wish to conduct and the date by which such due diligence will be completed.

A Potential Bidder that delivers the documents described in the previous subparagraphs above and whose financial information and credit-quality support or enhancement demonstrate the financial capability of the Potential Bidder to consummate the Sale, if selected as a successful bidder, and that the Seller determines in its sole discretion is likely (based on availability of financing, experience and other considerations) to be able to consummate the Sale within the time frame provided by this Agreement shall be deemed a "Qualified Bidder". As promptly as practicable, after a Potential Bidder delivers all of the materials required above, Seller shall determine, and shall notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder. At the same time that Seller notifies the Potential Bidder that it is a Qualified Bidder, Seller shall allow the Qualified Bidder to begin to conduct due diligence with respect to the Acquired Assets and the Business as provided in Section 11.5 below. Notwithstanding the foregoing, Purchaser shall be deemed a Qualified Bidder for purposes of the Bidding Process.

Due diligence access may include management presentations as may be scheduled by Seller, access to data rooms, on site inspections and such other matters which a Qualified Bidder may request and as to which Seller, in its sole discretion, may agree to. Seller shall designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Any additional due diligence shall not continue after the Bid Deadline. Seller may, in its discretion, coordinate diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at management presentations or site inspections. Neither Seller nor any of its Affiliates (or any of their respective representatives) shall be obligated to furnish any information relating to Acquired Assets and the Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.
- **11.6 <u>Bid Requirements.</u>** All bids must include the following documents (the "Required Bid Documents"):
- **11.6.1** A letter stating that the bidder's offer is irrevocable until the earlier of: (i) two (2) Business Days after the closing of the Sale of the Acquired Assets; or (ii) August 31, 2006.

- **11.6.4** Written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Seller and its advisors.
  - **11.7 Qualified Bids.** A bid will be considered only if the bid:
- **11.7.1** Is on terms and conditions (other than the amount of the consideration and the particular liabilities being assumed) that are substantially similar to, and are not materially more burdensome or conditional to Seller than, those contained in the Agreement.
- **11.7.2** Is not conditioned on obtaining financing or on the outcome of unperformed due diligence by the bidder.
- 11.7.3 Proposes a transaction that Seller determines, in its sole discretion, is not materially more burdensome or conditional than the terms of the Agreement and has a value, either individually or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of the Purchase Price plus the amount of the Break-Up Fee, plus (i) in the case of the initial Qualified Bid, \$ 400,000; and (ii) \$100,000 in the case of any subsequent Qualified Bids, over the immediately preceding highest Qualified Bid.
- **11.7.4** Is not conditioned upon any bid protections, such as a break-up fee, termination fee, expense reimbursement or similar type of payment.

- 11.7.5 An acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Acquired Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Acquired Assets in making its bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Acquired Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement.
- 11.7.6 Includes a commitment to consummate the purchase of the Acquired Assets (including the receipt of any required governmental or regulatory approvals) within not more than fifteen (15) days after entry of an order by the Bankruptcy Court approving such purchase, subject to the receipt of any governmental or regulatory approvals which must be obtained within twenty (20) days after entry of such order.

## **11.7.7** Is received by the Bid Deadline.

A bid received from a Qualified Bidder will constitute a "Qualified Bid" only if it includes all of the Required Bid Documents and meets all of the above requirements; provided, however, that Seller shall have the right, in its sole discretion, to entertain bids for the Acquired Assets that do not conform to one or more of the requirements specified herein and deem such bids to be Qualified Bids; provided, further, however, that no bid shall be deemed by Seller to be a Qualified Bid unless such bid proposes a transaction that Seller determines, in its sole discretion, has a value, greater than or equal to the sum of the Purchase Price, plus the amount of the Break-Up Fee, plus \$400,000, taking into account all material terms of any such bid. Notwithstanding the foregoing, the Purchaser shall be deemed a Qualified Bidder, and the Agreement shall be deemed a Qualified Bid, for all purposes in connection with the bidding process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than that of the Purchaser is referred to as a "Subsequent Bid".

If Seller does not receive any Qualified Bids other than the Agreement received from the Purchaser, Seller will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of the Agreement.

## 11.8 Bid Protection. [Reserved]

- 11.9 <u>Auction, Bidding Increments and Bids Remaining Open.</u> If Seller receives at least one (1) Qualified Bid in addition to the Agreement, Seller will conduct an auction (the "**Auction**") of the Acquired Assets and the Business upon notice to all Qualified Bidders who have submitted Qualified Bids at 10:00 a.m. EST on or before July 10, 2006, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, New York 10036, in accordance with the following procedures:
- **11.9.1** Only Seller, Delphi, Purchaser, any representative of the Committee, any representative of the secured lenders (and the legal and financial advisers to each of the foregoing), and any Qualified Bidder who has timely submitted a Qualified Bid shall be entitled to attend the Auction, and only Purchaser and Qualified Bidders will be entitled to make any subsequent Qualified Bids at the Auction.

- 11.9.2 At least two (2) Business Days prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform Seller whether it intends to participate in the Auction and at least one (1) Business Day prior to the Auction, Seller shall provide copies of the Qualified Bid or combination of Qualified Bids which Seller believes is the highest or otherwise best offer to all Qualified Bidders who have informed Seller of their intent to participate in the Auction. Should an Auction take place, Purchaser shall have the right, but not the obligation, to participate in the Auction. Purchaser's election not to participate in an Auction shall in no way impair its entitlement to receive the Break-Up Fee or Expense Reimbursement, as applicable.
- 11.9.3 All bidders shall be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder shall be fully disclosed to all other bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction.
- 11.9.4 Seller may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code or any order of the Bankruptcy Court entered in connection herewith.
- 11.9.5 Bidding at the Auction shall begin with the highest or otherwise best Qualified Bid or combination of Qualified Bids and continue in minimum increments of at least \$100,000 higher than the previous bid or bids. The Auction shall continue in one or more rounds of bidding and shall conclude after each participating bidder has had the opportunity to submit an additional Subsequent Bid with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (including any Subsequent Bid by the Purchaser), Seller shall give Purchaser a credit in an amount equal to the greater of any Break-Up Fee or Expense Reimbursement that may be payable to Purchaser under this Agreement and shall give effect to any assets and/or equity interests to be retained by Seller.
- 11.9.6 At the conclusion of the Auction, or as soon thereafter as practicable, Seller, in consultation with its financial advisors, shall: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer(s) for the Acquired Assets and the Business received at the Auction (the "Successful Bid(s)" and the bidder(s) making such bid, the "Successful Bidder(s)").
- 11.10 Acceptance of Qualified Bids. Seller shall sell the Acquired Assets for the highest or otherwise best Qualified Bid upon the approval of such Qualified Bid by the Bankruptcy Court after the hearing (the "Sale Hearing"). If, after an Auction in which the Purchaser: (i) shall have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement; and (ii) is the Successful Bidder, it shall, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid; less (b) the Break-Up Fee.
- 11.11 <u>Sale Hearing</u>. The Sale Hearing will be held before the Honorable Robert Drain on July 19, 2006 at 10:00 a.m. (New York City time) at the United States Bankruptcy Court for the Southern District of New York, located in New York, New York, but may be adjourned or

rescheduled without further notice by an announcement of the adjourned date at the Sale Hearing. If Seller does not receive any Qualified Bids (other than the Qualified Bid of the Purchaser), Seller will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Acquired Assets to the Purchaser following entry of the Sale Order. If Seller does receive additional Qualified Bids, then, at the Sale Hearing, Seller shall seek approval of the Successful Bid(s), as well as the second highest or best Qualified Bid(s) (the "Alternate Bid(s)" and such bidder(s), the "Alternate Bidder(s)"). Seller's presentation to the Bankruptcy Court of the Successful Bid(s) and Alternate Bid(s) shall not constitute Seller's acceptance of either or any such bid(s), which acceptance shall only occur upon approval of such bid(s) by the Bankruptcy Court at the Sale Hearing. Following approval of the sale to the Successful Bidder(s), if the Successful Bidder(s) fail(s) to consummate the sale because of: (i) failure of a condition precedent beyond the control of either Seller or the Successful Bidder; or (ii) a breach or failure to perform on the part of such Successful Bidder(s), then the Alternate Bid(s) shall be deemed to be the Successful Bid(s) and Seller shall effectuate a sale to the Alternate Bidder(s) without further order of the Bankruptcy Court.

- 11.12 Return of Good Faith Deposit. Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) shall be held in an interest-bearing escrow account and all Qualified Bids shall remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the terms of one or more Successful Bids by one or more Qualified Bidders), until two (2) Business Days following the closing of the Sale (the "Return Date"). Notwithstanding the foregoing, the Good Faith Deposit, if any, submitted by the Successful Bidder(s), together with interest thereon, shall be applied against the payment of the Purchase Price upon closing of the Sale to the Successful Bidder(s). If a Successful Bidder fails to consummate an approved sale because of a breach or failure to perform on the part of such Successful Bidder, Seller will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit shall irrevocably become property of Seller. On the Return Date, Seller shall return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.
- 11.13 Reservation of Rights. Seller, after consultation with the agents for its secured lenders and the Committee: (i) may determine, which Qualified Bid, if any, is the highest or otherwise best offer; and (ii) may reject at any time, any bid (other than the Purchaser's bid) that is: (a) inadequate or insufficient; (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures or the terms and conditions of the Sale; or (c) contrary to the best interests of Seller, its estate and creditors as determined by Seller in its sole discretion

## 12. <u>INDEMNIFICATION</u>:

**Seller's Agreement to Indemnify.** If the Closing occurs and Purchaser makes a written claim for indemnification against Seller in accordance with the procedures set forth in this Article 12 prior to the Expiration Date, then Seller agrees to indemnify and hold harmless Purchaser subject to the terms of this Article 12, from and after the Closing, from and against all out-of-pocket liabilities, claims, assessments, losses, judgments, settlements, damages, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) (collectively, the "**Purchaser Damages**") incurred by Purchaser as a result of or arising out of: (i) those Retained Liabilities and those Excluded Assets that are retained at Closing by Seller; (ii) a breach of any representation or warranty in this Agreement; (iii) any covenant to be performed on or before Closing; or (iv) a breach of any agreement or covenant of Seller in this Agreement to be performed after Closing; and the sole source to satisfy any remedy with respect to (i) and (ii) above shall be the Escrow Amount, and the limit of Seller's obligation with

respect to clauses (i) and (ii) above, shall be \$975,000.00. Notwithstanding the foregoing, any claim based on clause (iii) must be made within one hundred eighty (180) days after the Closing Date. As soon as possible after the Expiration Date, the Escrow Amount, including all cash, interest accrued thereon and other property retained by the Escrow Agent, will be delivered to Seller by the Escrow Agent, less an amount necessary to satisfy the amount of all then outstanding claims by Purchaser for Purchaser Damages in accordance with the terms of the Escrow Agreement.

- **12.2** Purchaser's Agreement to Indemnify. If the Closing occurs and Seller makes a written claim for indemnification against Purchaser in accordance with the procedures set forth in this Article 12, then, from and after the Closing, Purchaser shall indemnify and hold harmless Seller from and against all out-of-pocket liabilities, claims, assessments, losses, judgments, settlements, damages, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) (collectively, the "Seller Damages") incurred by Seller as a result of or arising out of: (i) the Assumed Liabilities; (ii) a breach of any representation or warranty of Purchaser contained herein; (iii) any covenant to be performed on or before Closing; (iv) a breach of any agreement or covenant of Purchaser contained herein to be performed after Closing; or (v) the use, operation or ownership of the Business or any of the Acquired Assets after the Closing unless such matters are of a nature also subject to indemnification pursuant to Section 12.1. The maximum amount of Purchaser's obligations under clauses (i), (ii) and (v) above shall be \$975,000.00. Notwithstanding the foregoing, any claim based on clause (iii) must be made within one hundred eighty (180) days after the Closing Date.
- **12.3** <u>Limitations on Agreements to Indemnify</u>. The obligations of either Party to indemnify the other pursuant to this Article 12 are subject to the following limitations:
- **12.3.1** Each Party agrees that, from and after the Closing, the indemnification provided in this Article 12 is the exclusive remedy for a breach by the other Party of any representation, warranty, agreement or covenant contained in this Agreement, and that there shall be no other remedy for any breach by a party in respect of any claim for monetary damages arising out of or under this Agreement;
- **12.3.2** In calculating amounts payable to an indemnified party, the amount of any indemnified Purchaser Damages or Seller Damages, as the case may be, shall be determined without duplication of any other damages for which a claim has been made or could be made under any other representation, warranty, covenant or agreement included herein:
- 12.3.3 Any written notice delivered by an indemnified party to an indemnifying party seeking indemnification pursuant to this Agreement shall set forth, with as much specificity as is reasonably practicable, the basis of the claim, the sections of this Agreement which form the basis for the claim, and, to the extent reasonably practicable, a reasonable estimate of the amount of the Purchaser Damages or Seller Damages, as the case may be, that have been or may be sustained by such indemnified party; and
- **12.3.4** Notwithstanding any other provision of this Agreement, in no event shall an indemnified party be entitled to indemnification pursuant to this Agreement to the extent any Purchaser Damages or Seller Damages, as the case may be, were attributable solely to the indemnified party's own gross negligence or willful misconduct.
- **12.3.5** No indemnifying party shall be liable to an indemnified party until the amount of all indemnifiable damages of such indemnified party in the aggregate exceeds USD

\$20,000.00, after which point the indemnifying party will be obligated to the indemnified party for all damages (and not just the amount in excess of such amount).

To the extent an indemnifying party makes any indemnification payment pursuant this Article 12 for which the indemnified party has a right to recover against a third party (including an insurance company), the indemnifying party shall be subrogated to the right of the indemnified party to seek and obtain recovery from such third party.

- **12.4** Third Party Indemnification Procedures. The obligations of any indemnifying party to indemnify any indemnified party under Sections 12.1 or 12.2 with respect to Purchaser Damages or Seller Damages, as the case may be, resulting from the assertion of liability by third parties (including Governmental Entities) (an "Indemnification Claim"), shall be subject to the following terms and conditions:
- 12.4.1 Any party against whom any Indemnification Claim is asserted shall give the party required to provide indemnity hereunder written notice of any such Indemnification Claim promptly after learning of such Indemnification Claim (with such notice satisfying the requirements of Section 12.3.3), and, to the extent such matter involves a third party claim, the indemnifying party may, at its option, undertake the defense thereof by representatives of its own choosing and shall provide written notice of any such undertaking to the indemnified party. Failure to give prompt written notice of a Indemnification Claim hereunder shall not affect the indemnifying party's obligations under this Article 12, except to the extent that the indemnifying party is actually prejudiced by such failure to give prompt written notice. The indemnified party, at the indemnifying party's expense, shall, and shall cause its employees and representatives to, reasonably cooperate with the indemnifying party in connection with the settlement or defense of such Indemnification Claim and shall provide the indemnifying party with all available information and documents concerning such Indemnification Claim. If the indemnifying party, within thirty (30) days after written notice of any such Indemnification Claim, fails to assume the defense of such Indemnification Claim, the indemnified party against whom such claim has been made shall (upon further written notice to the indemnifying party) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk, and at the expense, of the indemnifying party.
- **12.4.2** Anything in this Section 12.4 to the contrary notwithstanding: (i) the indemnified party shall not settle a claim for which it is indemnified without the prior written consent of the indemnifying party, which consent shall not be unreasonably withheld, conditioned or delayed; and (ii) the indemnifying party shall not enter into any settlement or compromise of any action, suit or proceeding, or consent to the entry of any judgment for relief other than monetary damages to be borne exclusively by the indemnifying party, without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld, conditioned or delayed.

## 13. MISCELLANEOUS:

- **13.1** <u>Bulk Sales Laws</u>. Seller and Purchaser hereby waive compliance by Seller with the provisions of the bulk sales Law of any state or foreign jurisdiction.

provided, however, if either Party shall have designated a different addressee by notice, then to the last addressee so designated.

- **13.3** Assignment. This Agreement shall be binding and inure to the benefit of the successors and assigns of each of the Parties and their Affiliates, but no rights, obligations, duties or liabilities of either Party may be assigned without the prior written consent of the other, which shall not be unreasonably withheld.
- **13.4** Entire Agreement. This Agreement, together with the Ancillary Agreements, represents the entire agreement and understanding between the Parties with respect to the transactions contemplated herein. This Agreement supersedes all prior agreements, understandings, arrangements, covenants, representations or warranties, written or oral, by any officer, employee or representative of either Party dealing with the subject matter hereof.
- 13.5 <u>Waiver</u>. Any waiver by Seller or Purchaser of any breach or of a failure to comply with any provision of this Agreement: (i) shall be valid only if set forth in a written instrument signed by the Party to be bound; and (ii) shall not constitute, or be construed as, a

continuing waiver of such provision, or a waiver of any other breach of, or failure to comply with, any provision of this Agreement. At any time prior to the Closing Date, the Parties may: (a) extend the time for the performance of any of the obligations or other acts of the other Parties hereto; (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions contained herein. Except as otherwise expressly provided herein, any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party.

- **13.6 Severability.** Should any provision, or any portion thereof, of this Agreement for any reason be held invalid or unenforceable, such decision shall not affect the validity or enforceability of any of the other provisions, or portions thereof, of this Agreement, which other provisions, and portions, shall remain in full force and effect, and the application of such invalid or unenforceable provision, or portion thereof, to persons or circumstances other than those as to which it is held invalid or unenforceable shall be valid and be enforced to the fullest extent permitted by Law.
- **13.7** <u>Amendment</u>. This Agreement may only be amended only in writing by duly authorized representatives or officers of the Parties.
- **13.8** Expenses. Except as otherwise expressly provided in Section 9.3 of this Agreement or an Ancillary Agreement, each Party shall be responsible for its own expenses incurred in connection with the preparation of this Agreement, the performance of its obligations hereunder and the consummation of the transactions contemplated hereby.
- **13.9** Third Parties. Nothing contained in this Agreement, express or implied, is intended to or shall be construed to confer upon or give to any person, firm, corporation, association, labor union or trust (other than the Parties, their Affiliates and their respective permitted successors and assigns), any claims, rights or remedies under or by reason of this Agreement.
- **13.10** <u>Headings</u>. The headings contained in this Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Agreement.
- **13.11 Counterparts.** More than one counterpart of this Agreement may be executed by the Parties, and each fully executed counterpart shall be deemed an original.
- **13.12** Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of New York and, to the extent applicable the Bankruptcy Code, without giving effect to rules governing the conflict of laws.
- **13.13** Public Announcements. Seller and Purchaser will consult with each other before issuing any press releases or otherwise making any public statements with respect to this Agreement or the transactions contemplated hereby, and shall not issue any press release or make any public statement without mutual consent, except as may be required by Law and then only with such prior consultation.
- **13.14** <u>Sales or Transfer Taxes.</u> All sales taxes, documentary and stamp taxes, transfer taxes, use taxes, gross receipts taxes, excise taxes, value-added gross receipt taxes or similar charges and all charges for filing and recording documents in connection with the

transfer of the Acquired Assets (including intellectual property filing and recording fees) shall be paid by Purchaser.

- **13.15** <u>Venue and Retention of Jurisdiction</u>. All actions brought, arising out of or related to the transactions contemplated in this Agreement shall be brought in the Bankruptcy Court, and the Bankruptcy Court shall retain jurisdiction to determine any and all such actions.
- **13.16** <u>Risk of Loss</u>. Prior to the Closing, all risk of loss, damage or destruction to all or any part of the Acquired Assets or the Business shall be borne exclusively by the Seller.
- **13.17** Enforcement of Agreement. The Parties hereto agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to all other remedies available at law or in equity.
- **13.18 Dispute Resolution.** Seller and Purchaser will, in the first instance, attempt to settle any and all claims or disputes arising in connection with this Agreement or any Ancillary Agreement by good faith negotiations by senior management of each party. If the dispute is not resolved by senior management within thirty (30) days after delivery of a written request for such negotiation by either party to the other, either party may make a written demand (the "Demanding Party") for formal dispute resolution (the "Notice") and specify therein in reasonable detail the nature of the dispute. Within fifteen (15) business days after receipt of the Notice, the receiving party (the "Defending Party") shall submit to the other a written response. The Notice and the response shall include: (i) a statement of the respective party's position and a summary of arguments supporting that position; and (ii) the name and title of the executive who will represent that party and of any other person who will accompany the executive to meetings of the parties. Within fifteen (15) business days after such written notification, the executives (and others named in the Notice or response) will meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one party to the other will be honored promptly. All negotiations pursuant to this Section 13.18 are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence. In any case, the Parties agree not to commence any litigation actions until the expiration of ninety (90) days after the date of the Notice, and all such actions are subject to Section 13.15 above.
- **13.19** No Right of Setoff. Neither party hereto nor any Affiliate thereof may deduct from, set off, holdback or otherwise reduce in any manner whatsoever any amount owed to it hereunder or pursuant to any Ancillary Agreement against any amounts owed hereunder or pursuant to any Ancillary Agreement by such Persons to the other party hereto or any of such other party's Affiliates.
- 13.20 <u>Limitation on Damages</u>. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, INCLUDING ARTICLE 12, IN NO EVENT SHALL PURCHASER OR SELLER BE LIABLE FOR, OR BEAR ANY OBLIGATION IN RESPECT OF, ANY PUNITIVE, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES OF ANY KIND OR CHARACTER OR ANY DAMAGES RELATING TO, OR ARISING OUT OF, DIMINUTION IN VALUE, LOST PROFITS OR CHANGES IN RESTRICTIONS ON BUSINESS PRACTICES.

best interests of the Debtors, their estates, their creditors, and other parties-in-interest; and this

Court having entered an Order Under 11 U.S.C. §§ 105 And 363 Authorizing The Debtors To

Implement A Short-Term Annual Incentive Program ("AIP Order") (Docket No. 2441), dated

and that no other or further notice is necessary; and after due deliberation thereon; and good and sufficient cause appearing therefor,

#### IT IS HEREBY FOUND AND DETERMINED THAT:

- A. The Debtors have exercised reasonable business judgment in seeking the authority to implement short-term annual incentive plan ("AIP") covering the six-month period running from July 1, 2006 through December 31, 2006.
- B. The Debtors' proposal to implement the AIP covering the second half of 2006 was proposed in good faith and is in all respects fair and reasonable.
- C. It is in the best interest of the Debtors, their estates, their creditors, and parties-in-interest, and it is necessary to the Debtors' reorganization efforts, that the Debtors implement at this time an AIP for the period from July 1, 2006 through December 31, 2006.

#### IT IS ORDERED, ADJUDGED, AND DECREED THAT:

The AIP Order shall continue in full force and effect except as follows:

### ORDER IMPLEMENTING FINAL TRADING ORDER IN RESPECT OF ACQUISITION OF STOCK HARBINGER CAPITAL PARTNERS MASTER FUND I, LTD

("HARBINGER TRADING ORDER")

Upon the motion, dated July 17, 2006 (the "Motion"), of Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for an order implementing the Final Order Under 11 U.S.C. §§ 105, 362, And 541 And Fed. R. Bankr. P. 3001 (A) Establishing Notification Procedures Applicable To Substantial Holders Of Claims And Equity Securities And (B) Establishing Notification And Hearing Procedures For Trading In Claims And Equity Securities entered by this Court on January 6, 2006 (Docket No. 1780) (the "Final Trading Order") in respect of acquisition of Delphi common stock (the "Stock") by Harbinger Capital Partners Master Fund I, Ltd. ("Harbinger"); and upon the record of the hearing held on the Motion; and this Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties-in-interest, while at the same time

maintaining the integrity of the Final Trading Order; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

#### FOUND AND DETERMINED THAT:

- A. On June 1, 2006, Harbinger acquired Tax Ownership of Stock in excess of 26,499,999 shares, which exceeded the amount set forth in the definition of Substantial Equity Holder in the Final Trading Order. Between June 1 and June 5, 2006, Harbinger acquired Tax Ownership of additional Stock resulting in a total Tax Ownership of Stock of 32,025,000 shares (such Stock purchases by Harbinger are collectively referred to as "Noncompliant Purchases"). On June 12, 2006, Harbinger filed a Schedule 13D with the Securities and Exchange Commission disclosing its holdings of Stock. After the Debtors contacted Harbinger regarding the Schedule 13D and the terms of the Final Trading Order on June 14, 2006, Harbinger made no acquisitions or dispositions of Stock after such date.
- B. Harbinger's Noncompliant Purchases did not comply with the procedures set forth in the Final Trading Order. Among other things, a Notice of Intent to Purchase, Acquire or Otherwise Obtain Tax Ownership of Stock was not served prior to such Noncompliant Purchases.
- C. Harbinger represents that the Noncompliant Purchases were wholly inadvertent.

  NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED

  THAT:
  - 1. The Motion is GRANTED as set forth herein.
- 2. Harbinger shall sell a sufficient number of shares of Stock it acquired in the Noncompliant Purchases (the "Stock Dispositions"), such that after the Stock Dispositions, Harbinger holds fewer than 26.5 million shares of Stock. The Stock Dispositions shall be made in open market transactions pursuant to which Harbinger does not have actual knowledge of the

identity of the persons or entity that is to become the beneficial owner of such Stock. The Stock Dispositions shall be completed within 20 days after the entry of this Order.

- 3. Harbinger shall not be required to file a Notice of Status as a Substantial Equityholder (attached as Exhibit 1A to the Final Trading Order) as a result of any Stock Purchase; Harbinger shall not be required to file a Notice of Intent to Purchase, Acquire, or Otherwise Obtain Tax Ownership of Stock (attached as Exhibit 1B to the Final Trading Order) as a result of any Stock Purchase; and Harbinger shall not be required to file a Notice of Intent to Sell, Exchange or Otherwise Dispose of Tax Ownership of Stock (attached as Exhibit 1C to the Final Trading Order) as a result of the Stock Dispositions.
- 4. If the aggregate amount realized by Harbinger on the Stock Dispositions reduced by related costs exceeds Harbinger's aggregate basis in the Stock sold pursuant to the Stock Dispositions (any such excess, the "Aggregate Gain"), then Harbinger shall promptly donate the Aggregate Gain to one or more organizations described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.
- 5. Not later than 25 days after the entry of this Order, Harbinger shall file a certificate, signed by an authorized officer of Harbinger, confirming that Harbinger has complied with this Order and specifically describing (a) the number of shares of Stock sold, (b) the date of each sale, (c) the price at which each share was sold, (d) the related costs of each sale, (e) the basis of each share sold, (f) the date on which each share was acquired, (g) the Aggregate Gain, if any, upon such sales and, (h) the organization(s) described in Section 501(c)(3) to which any Aggregate Gain was donated.
- 6. In the future, Harbinger shall comply in all respects with the applicable terms of the Final Trading Order and any other orders of this Court (whether now in effect or entered in

05-44481-rdd Doc 4727 Filed 07/28/06 Entered 07/28/06 20:23:44 Main Document Pg 140 of 196

the future), to the extent then in effect, including, without limitation, in connection with any

future transactions involving the acquisition or disposition of sale of either (a) Stock or (b)

claims against the Debtors.

7. Under paragraph 9(a) of the Final Trading Order, the Noncompliant Purchases

were void <u>ab initio</u>, and accordingly, Harbinger shall be treated as never having owned the Stock

acquired in the Noncompliant Purchases.

8. The Final Trading Order remains in full force and effect, and nothing in this

Order shall be deemed a modification, waiver, or alteration of any of the terms, conditions, or

requirements of the Final Trading Order.

Mr. Jonathan Stegner General Director Delphi Corporation 5825 Delphi Drive Troy, MI 48098-2815

RE: Letter Agreement for "Indirect Material Cost Reduction: Strategic Sourcing and Contract Review" Initiative

Dear Mr. Stegner:

We are pleased to submit this letter agreement to support Delphi in indirect material cost reduction through a comprehensive Strategic Sourcing and Contract Review process. Delphi has the opportunity to realize substantial savings across the estimated \$3.7 billion of indirect spend.

In the spring of 2005, A.T. Kearney was asked to perform an assessment of the indirect material cost reduction opportunity at Delphi. Based on that assessment, and our experience in driving comprehensive Indirect Strategic Sourcing and Executory Contract Reviews for other clients, A.T. Kearney estimates there is an annual savings opportunity of \$150 to \$225 million globally.

This proposal is focused on Delphi's North American operations, and is divided into two parallel phases. In Phase 1A (the "Fast Track" Phase), we will immediately begin sourcing of \$700 million in spend that offers a high potential for savings. The Fast Track Phase will deliver between \$30 and \$60 million in annual savings, with some of the savings realized in the latter part of 2006. In Phase 1B we will analyze, prioritize and develop category specific strategies for an additional \$2.3 billion of North American indirect spend. Subsequent phases (not included in the scope of this agreement) will execute the sourcing strategies identified in Phase 1B, as well as potentially expend the scope beyond North America.

A.T. Kearney is a leader in providing indirect material and services sourcing, and we consistently deliver savings comparable to those we are targeting at Delphi. Delphi is a key client for A.T. Kearney and we hope to use this project to build on the relationship and position A.T. Kearney to help Delphi with other improvement opportunities. To that end, I personally will be committed to bring the strength of my firm to bear to help deliver these savings. We value Delphi as a client and we appreciate the opportunity to work with you on this important initiative.

This proposal addresses the following areas for each of the two main phases (1A and 1B):

- Objectives and Scope
- · Project Approach, Deliverables and Timing
- Project Management and Governance
- Fees and Expenses

### Indirect Material Cost Reduction: Strategic Sourcing and Contract Review Initiative

#### **Objectives and Scope**

The objective of the Indirect Material Cost Reduction initiative is to identify, prioritize and deliver indirect cost savings. The initiative will cover over 40 categories within Delphi's North American operations, addressing annual spend of \$3.0 billion out of a total North American spend of \$3.3 billion (See Figure 1).

A.T. Kearney will work in concert with Delphi to accelerate strategic sourcing and contract review to realize the saving based on a two phase plan (See Figure 2). In Phase 1A, the identified twelve "Fast Track" categories will move directly to strategy development and contract negotiations and implementation. These identified categories have a large indirect spend and a high potential for savings. Within the first 2-4 weeks of the project, Delphi and A.T. Kearney may mutually choose to modify the commodities in scope for in the Fast Track Phase. In Phase 1B, we will perform a contract review, prioritization and strategy development for many of the functional specific categories and the medium potential categories. These categories will be reviewed to identify specific follow-on cost reduction projects, such as contract renegotiation, strategic sourcing, outsourcing, etc.

Support of these parallel activities (Phases 1A and 1B) will be accomplished through a combination of Delphi's Indirect Global Supply Management Team and A. T. Kearney resources. A.T. Kearney resources will lead the Strategic Sourcing and Executory Contract Review process addressing over 90% of the indirect spend within North American operations.

Our intent is to include the spend of operations that may be for sale, as long as the sale is not imminent with an agreed to price. Any indirect material savings should be represented as having direct bottom line impact to potential buyers and, as such, should bring the corresponding multiple in additional value

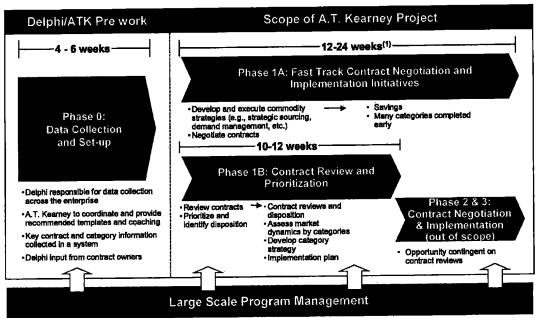

#### Project Approach, Deliverables and Timing

The project approach begins with a Phase 0 data collection process. Working with Delphi, we will leverage the data that has already been collected. Where gaps exist we will collect the necessary data for both the indirect material sourcing and the contract review work streams. Based on a preliminary review, it appears that we can leverage the purchasing and financial systems to obtain the necessary sourcing data. Information relative to non purchasing contracts as well as financial and usage data for all contracts will likely need to be obtained from the contract owners. A.T. Kearney will coordinate the data collection process – however to insure timely realization of savings it is critical that Delphi supports the process and response timely to data requests.

Upon completion of the data collection phase, the project approach will be based on two parallel activities. Phase 1A, Fast Track, and Phase 1B, Contract Review and Prioritization, will both last twenty four weeks, however some categories will be complete and begin delivering savings in as early as twelve weeks. Figure 2 outlines the data collection phase as well as Phase 1A & 1B (Phase 2 and 3 are not included under this agreement).

Figure 2. Approach and Associated Timing

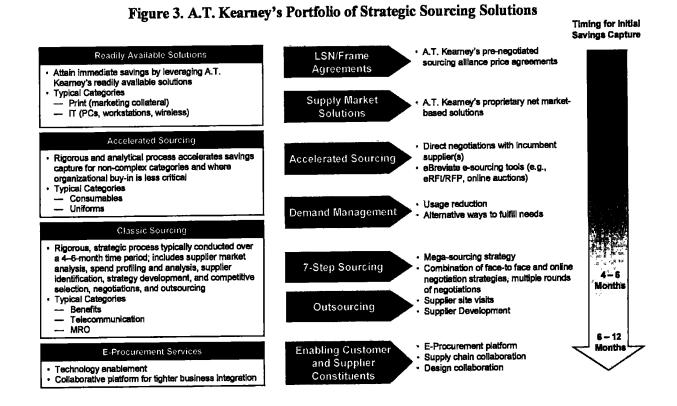

#### **Recommended Approach**

Note: (1) Timing dependent on category complexity

### Phase 1A: Fast Track Contract Negotiations and Implementation

Delphi and A.T. Kearney have jointly defined the twelve "Fast Track" commodities in Phase 1A that will address approximately \$0.7 billion in North American annual spend and will yield annual savings of \$30 to \$60 million. The Phase 1A savings will be partially realized in 2006 and fully realized in 2007. To capture these savings, the joint A.T. Kearney and Delphi teams will utilize a portfolio of Strategic Sourcing solutions, which maximize savings while minimizing time-to-benefits (See Figure 3)

Phase 1B: Contract Review and Prioritization

In parallel, Phase 1B will be launched to address much of the remaining North American spend of approximately \$2.3 billion. Phase 1B will identify additional projects and savings opportunities with an estimated annual savings of \$80 to \$150 million, which will be delivered in future Phases 2 and 3. Savings could be even higher if the scope of Phases 2 and 3 is expanded to include global spend.

The contract review process will consist of two primary activities: 1) Contract Review and Analysis; and 2) Functional Workshops. First, all North American contract information will be collected, organized, and analyzed for preliminary prioritization (we will leverage the contract information already collected). As part of this analysis we will assess market condition changes, business needs changes, and financial implications. This will serve as input into the Functional Workshops where the contract stakeholders will review the analysis and options, and determine the strategy and disposition for the contracts. See Figure 4.

Figure 4. A.T. Kearney's Contract Review and Prioritization

#### **Contract Reviews Activities**

- Conduct pre-workshop reviews of all relevant contracts:
  - Develop summaries for each contract
  - Assign contacts to categories based on function or procurement code
  - Analyze financial implications to determine prioritization
  - Upload contract information into databases
  - Coordinate with function/contract owner to resolve discrepancies and missing information
- Develop preliminary priority and potential alternatives by category type

#### **Functional Workshops Activities**

- Use Contract review output to prepare for workshop
  - Frame potential alternatives
  - Schedule subsequent workshops
- · Conduct workshops in all functions and business units
  - Evaluate alternative strategies by contract type
    - Develop preliminary disposition
    - Establish action plan to validate and implement strategy

#### Project Management, Governance and Reporting

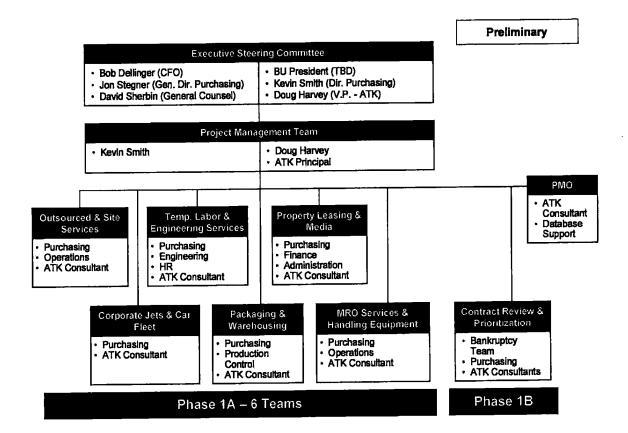

Doug Harvey will be responsible for the overall project. He will be supported by an experienced project leader that will drive the overall day-to-day activities. This project leadership will be actively involved in driving the deliverables and savings attainment in each of the identified "Fast Track" categories in Phase 1A and Contract Review and Prioritization of the categories in Phase 1B.

The project reporting process will be supported by a Project Management team and a Project Management Office (PMO). The role of the PMO should not be underestimated - throughout this project there will be a significant amount of project coordination and information management both within this project and across other ongoing Delphi projects. We will leverage A.T. Kearney's significant know-how and tools to ensure the project is executed smoothly. Each sub-team will generate a one-page weekly status report that will used by the Project Management team and the PMO. These reports will be used as a basis for weekly reviews and calls led by the Project Management team which will be used to review status, share information, and provide guidance to the teams, as required.

Each team will consist of 1-2 fulltime A.T. Kearney consultants working with the Delphi team members to drive the deliverables for that team. We will also leverage A.T. Kearney's subject matter experts (SMEs) with category specific expertise. In total, we will have twelve full time resources on the project along with many SMEs that we be engaged as needed throughout the project. The teams will report out on a regular basis (presumably monthly) to the Executive Steering Committee.

The role of the Executive Steering Committee is essential to insure that the project is completed on time and that the necessary organizational support is in place to enable successful implementation. Specifically, the Executive Steering Committee will insure that the appropriate resources are assigned to the project and that any requests from the project team are given sufficient priority within the organization to insure timely response. Most importantly, the Executive Steering Committee will be asked to approve the recommendations of the project team and insure organizational alignment behind these recommendations. The recommendations will include the over-all strategy by category and the associated resource/cost requirements, savings and implementation timing. The project organizational structure is depicted in Figure 5.

Figure 5. Project Management and Governance Structure

It is essential that each team include the appropriate Delphi representatives to insure the right Delphi specific solutions are developed. We will also facilitate a knowledge transfer of A.T. Kearney's "best in class" Strategic Sourcing tools by providing both formal and hands-on training for the Delphi team members.

#### Fees and Expenses

A.T. Kearney is proposing a combined fixed fee and contingent fee engagement. The fixed fee and expenses component of this engagement will be \$3,900,000. This fee is at a reduced rate as compared to previous engagements at Delphi and our other key clients. Delphi will pay A.T. Kearney an additional \$300,000 if the project team recommends, and the Executive Steering Committee approves, recommendations totaling at least \$30 million in annualized savings. In addition to this \$300,000 contingent payment, Delphi will pay A.T. Kearney \$200,000 if the project team recommends, and the Executive Steering Committee approves, recommendations totaling at least \$45 million in annualized savings. After the initial month of the engagement, we will submit five monthly invoices to Delphi for \$700,000 each. The sixth and final invoice will include the \$400,000 fixed fee remaining balance and any contingent payment that has been earned. A.T. Kearney anticipates payment to be made within 30 days of invoicing, which is consistent with our previous engagements with Delphi's management team.
